

**CANOPY & TENT PRODUCTS : CANVAS TARPS**

Canvas Tarps are made from 100% cotton fabric or heavy duty polyester canvas. Canvas tarps are water-resistant, breathable and very durable. And they are more earth friendly than poly, plastic, PVC vinyl tarps. They are perfect for canopies and widely used in the trucking industry. Because they are breathable and natural, people often use them to cover the natural products such as lumbers. They come in Natural White, Beige, Olive Drab, Mustard Tan, Brown, Green colors. They are usually 16, 18, 21 oz per sq. yard. 10, 12, 15 oz before water resistant treatment. We recommend using them for outdoors only.
