

GOLF CART COVERS & GRASS/TURF TARPS

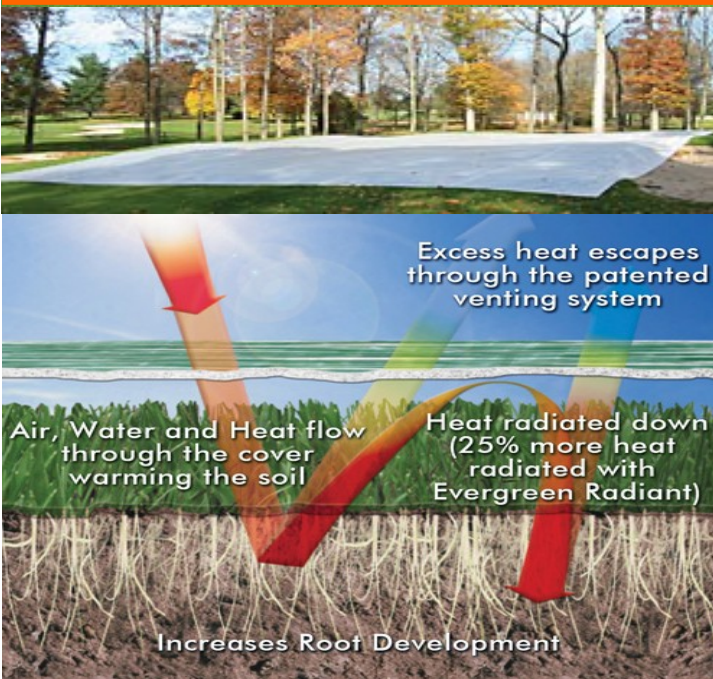

Rocky Industries manufactures different types of golf cart covers to provide the water proofing for the golfers. Our golf cart covers can be made with heavy duty vinyls or sunbrella fabrics and have clear windows for better sights. They are usually made in the form of roll-up types with zippers to enclose. We also manufactures turf covers and blankets for winter seasons. With covering the grass with our covers to have them green like there was no winter. Have them covered during the winter season, and open it up when the season warms up, and you will see them all green like before with our top quality products.
