

STRAPPING TOOLS: STEEL STRAP TENSIONERS, SHEARS, SEALER/CRIMPER

Rocky Industries stocks variety of steel strapping tools for different industries from Compact Steel Strap Tensioner to Heavy Duty Steel Strap Tensioners, and also carries Feedwheel typed Push Tensioner for easy tensioning. Our Steel Strap Sealers/ Crimpers makes the steel strapping stay where you would like it to stay with using either open seals, close seals. Most of our tools are oversea brands; however, we also carry many of the domestic tools when domestic tools are requested. Our Steel Strap Tools have been widely distributed to construction & scaffolding companies, steel companies, lumber yards and more.
