

**CANOPY & TENT PRODUCTS : VALANCE CANOPY**

Our valance tarps set come in the package that include tarp, frames, fittings, pipes, ball bungees, ready to set up. The tarps are waterproof, weather resistant and provide 100% UV protection. The included valance tarp makes for an easy conversion to a fully enclosed canopy by simply adding side, front and back panels, which can be bought separately upon request. Our canopy shelters can give you more work space, storage space, even you can use them for your personal, and season use such as vehicle or boat storage. We offer different sizes that will fit your application and usages.
